ALL CREATURES VETERINARY HOSPITAL

Date _____ Owner's Name _____ Pet's Name _____

Have you withheld food and water since at least midnight? _____ Yes _____ No
Prior to fasting, has your pet been eating, drinking, and going to the bathroom normally? _____ Yes _____ No

Are there any concerns a veterinarian should be aware of before surgery? _____ Yes _____ No

PRESURGICAL BLOODWORK: Occasional problems can arise due to pre-existing conditions of the liver and kidneys. To avoid these problems we recommend that your pet be screened upon admission by means of a blood test. Would you like your pet to have pre-surgical bloodwork? (\$105) _____ Yes _____ No

PAIN MEDICATION: It has been shown that the use of pain medication promotes faster healing and recovery. Therefore, in addition to anesthesia, pain medication is recommended for all surgical procedures. We recommend your pet receive a pain relief injection with surgery so that your pet does not wake up in any pain and we also recommend sending pain medication home.

Would you like your pet to receive a pain relief injection with surgery? (\$25) _____ Yes _____ No
Would you like pain medication sent home with your pet? (\$10-\$20) _____ Yes _____ No

MICROCHIP: We recommend having your pet microchipped while under anesthesia. We register your pet for you and registration is 100% free! When microchipped, cats are 20 times and dogs 2 ½ times more likely to be returned home. Would you like your pet to be microchipped? (\$30) _____ Yes _____ No
If yes, we will need your email to register your pet:

FOR ALL SURGICAL PROCEDURES WHICH REQUIRE SUTURES WE STRONGLY RECOMMEND THAT YOU TAKE AN E-COLLAR OR MEDICAL PET SHIRT HOME FOR YOUR PET. IF YOUR PET HAS TO COME BACK DUE TO LICKING OR CHEWING AT THE INCISION AND YOU HAVE CHOSEN NOT TO AN E-COLLAR YOU WILL BE RESPONSIBLE FOR ALL CHARGES.

**WOULD YOU LIKE AN E-COLLAR SENT HOME WITH YOUR PET TODAY? \$20.00 _____ YES _____ NO
or
WOULD YOU LIKE A MEDICAL PET SHIRT SENT HOME WITH YOUR PET TODAY? \$30.00 _____ YES _____ NO**

- SPAY (\$115)
- NEUTER (\$48)
- DECLAW: FRONT (\$150) ALL FOUR (\$225)
- LUMP REMOVAL (\$75-235) SEE NEXT LINE
 SEND LUMP TO LAB (BIOPSY - \$150-\$189)
- OTHER _____

OTHER RECOMMENDATIONS FOR CATS:

- FIV/FELV TEST (\$66)

This test is recommended for all untested cats. It tests for feline leukemia virus and feline aids. It is vital in knowing your cat's health and the risks imposed on other cats you have.

- FELINE LEUKEMIA VACCINE (\$22)
- FELINE DISTEMPER VACCINE (\$22)
- FELINE RABIES VACCINE (\$17)

All three feline vaccines are recommended for every cat. A cat getting leukemia or distemper vaccine for the first time should have it boosted in 3-4 weeks.

DOGS ONLY:

For all surgical procedures, we require proof of rabies vaccination given by a licensed veterinarian. If proof cannot be provided, the rabies vaccination will be given at your expense.

Additional fees of \$35-\$80 will be charged for animals that are in heat or pregnant. Where are also possiblities If it is discovered your pet is pregnant during surgery, the fetus(es) will be aborted. If you would like to have your pet checked for pregnancy (\$125) to avoid abortion, you must let a staff member know.

If your pet is infested with fleas and ticks, it will be treated at your expense. If your pet is soiled upon arrival and needs bathing, it will be done at your expense.

Please initial that you have read our policies above _____

****You will be contacted if any complications should arise during surgery. You will be contacted with an update of your pet's status once your pet is out of surgery and in recovery. Please leave a number that we can reach today****

****PHONE NUMBER**** _____

I hereby give my permission to the Doctor(s) and Staff of All Creatures Veterinary Hospital, Mountain Home, perform the above procedures(s).
