

# TOP 10

## reasons to choose OVMA Pet Health Insurance

We offer a free 4-week Healthy Start trial – ask your clinic to register your pet today!

### 1. Veterinarian recommended

Our insurance plans are designed and backed by Ontario veterinarians with coverage to suit your pet's needs.

### 2. The best coverage

Our plans offer unparalleled coverage including exam fees and taxes which means you'll have more money in your pocket.

### 3. Comprehensive plan options

We cover 80% of eligible veterinary fees for accidents, illnesses, and dental claims. Our Unlimited+ plan also offers coverage for routine care, including annual checkups, vaccines and more.

### 4. Flexible plans

We have three plans to choose from and offer multi-pet discounts, so your pets have the protection they need in case of accidents and illnesses.

### 5. Forward-thinking

All of our plans offer special coverage for alternative and behavioural treatments, including physiotherapy, acupuncture and behavioural training, as well as additional benefits such as boarding/kennel fees, holiday cancellation and more.

### 6. Fast claims payout

Claims can be submitted by email, fax or mail, or by uploading a photo to your online portal. Claims have a 48-hour waiting period and you can choose to be reimbursed by cheque or direct deposit.

### 7. The extra mile

Our claims and underwriting team is supported by dedicated Licensed Insurance Agents and Animal Health Technologists. An online portal will be created for you to submit claims, view communication, and manage file details 24/7.

### 8. Maximum payout guaranteed

Compared to other insurance companies, our plans offer a guaranteed maximum payment amount by applying the deductible first and coinsurance second.

### 9. Loyalty rewarded

After your first policy year you will receive a 3% loyalty discount! After your second anniversary year, your discount increases to 5% for the lifetime of the policy.

### 10. Helping people and pets

A portion of our proceeds are directed to the Farley Foundation to assist eligible Ontario pet owners receive non-elective veterinary care for their pets.
