

To Our AHORB Family

Covid Reopening Guidelines - Starting June 15

- We will still be offering a modified curbside service for all appointments (tech appointments and food/rx pickup will be curbside only).
- For examinations, if you would like to be in an exam room, ONE client will be allowed in with their pet for their appointment.
 - Please check in when you arrive by calling **(310) 540-9044** and wait in your vehicle until we are ready to begin the appointment.
 - **MASKS ARE REQUIRED INSIDE THE BUILDING.**
If you do not have one with you, we will gladly provide one for you.
- Enhanced cleaning measures will still be performed before and after your visit to protect you and our staff.
- If you or a family member are sick please let us know ahead of your appointment.

Thank you for your understanding and we look forward to seeing you and your pets soon!
